

Attention Class of 2025 Seniors!

IT'S TIME TO SEND IN YOUR SENIOR PHOTOS!

The deadline for senior portraits is **Friday, Nov. 1st!** If possible, try to turn in the following ASAP!

You will need:

- One vertical 2"x3"-sized photo for the yearbook. Also, make sure the dominant element of the photo is your face. Please don't include full body shots or props in shots. **We accept both physical and digital files, however we recommend digital files at 300 PPI.** The yearbook pages for seniors will run in color. **Note: We have discretion as to whether photos are appropriate and we will not publish any photos we deem inappropriate.**
- One **2"x3"** photo for the *Miami County Republic* – The newspaper does a special every spring on the seniors, including photos of every senior. They don't specifically ask for either horizontal or vertical photos, so we'll leave that up to you. **Note: The newspaper will print the photos in black and white.**

The deadline for senior portrait submissions is Nov. 1st. If any paperwork is lost, go online to phsjournalism.com, come by Mrs. Chayer's room to pick up another copy, or call (913)294-8010 ext. 1215 and ask for BriAnne Chayer.

Name: (as it will appear on your diploma, first and last, no nicknames or middle names)

Return this form, or emailed name & photos, to Mrs. Chayer (room 210 or 215) or to Wilson Wright by the deadline of **Nov. 1.**
